

Lloyd Library & Museum News

This time of year, as Thanksgiving approaches, we especially treasure family and friends. At the Lloyd, we rely on our friends for so many things, whether that be support, expertise, or sharing their enthusiasm with others. That's why we're always looking for new ways to share what we have with new and old friends alike.

Supporting the Lloyd is Easier than Ever

Meet Our Newest Board Member

We're pleased to welcome Carla Walker to the Board of the Lloyd Library. Carla has advised elected officials, non-profit and business leaders in Cincinnati and abroad for nearly 20 years, including leadership positions in three US Presidential campaigns. She worked to re-establish Cincinnati's Office of Environment and Sustainability, Office of Planning, and help develop the Climate Protection Action Plan, which was the first Green Cincinnati Plan. We're looking forward to great things with Carla's help.
