

Lloyd Library & Museum News

2020 has been named The Year of the Woman in honor of the 100th anniversary of women's suffrage in the U.S. You don't have to look far to see the many contributions of women in the Lloyd Library, from botanists, scientists and artists represented in our collections to women who have worked for, served on our Board and presented here. Join us as we celebrate these significant contributions.

Women and Nature Exhibition Opening March 6
