## Lloyd Library Partners with Cincinnati Gives

Reminder--please watch your email for the launch of our first-ever year-end appeal to help with the Lloyd's greatest needs. We have partnered with *Cincinnati Magazine* and their Guide to Giving, as well as their online 10-day campaign, Cincinnati Gives, which launches on Monday, November 27. This effort will support the Lloyd's reference services, the preservation of our collection, and the

expansion of our educational offerings for the community.

Plus, double your gift! Thanks to a generous matching gift, all donations received through December 8 will be doubled up to a total of \$25,000.

## Lloyd Archives Contribute to Research

Stephanie Schmitz, archivist at Purdue University's Psychoactive Substances Research Collection (pictured with Lloyd archivist Christine Jankowski), visited the Lloyd to research former Purdue professor Varro E. "Tip" Tyler (1926-2001). His papers are among those of many health science luminaries in the Lloyd's archives. Along with his work in academia, Tyler was a renowned presenter and author, including writing for *Prevention Magazine*.
